AMERICAN NICKEL WORKS,

Camden, N. J. Feby 2d 1887

Hon Daniel M Fox

Dear Sir

My bill of this date includes the final delivery of nickel-copper planchets under contract of Dec. 6 1886 as reckoned in my statement of weight dated Feby. 2. I should be glad to know at your convenience that the settlement is satisfactory

On my bid for bronze blanks you still have the right to call for 100.000 lbs.; I having offered to supply up to 200 000 lbs, and your first order having been for 100.000 lbs.

The delivery of that first 100 000 lbs will be completed probably next week, and I await your good pleasure as to the remainder There is at present nothing to prevent my continuing deliveries without any interruption

Yours truly
Joseph Wharton

[Abstract:] In reference to the final delivery of nickel copper planchets…

American Nickel Works,
Camden, N.J.
February 28, 1887

Hon. Daniel M. Fox

Dear Sir

My bill of this date includes the final delivery of nickel-copper planchets under contract of Dec. 6, 1886 as remarked in my statement of weight dated February 2. I should be glad to know at your convenience that the settlement is satisfactory.

On my bid for bronze blanks you still have the right to call for 100,000 lbs.: I having offered to supply up to 200,000 lbs, and your first order having been for 100,000 lbs.

The delivery of that first 100,000 lbs. will be completed probably next week, and I await your good pleasure as to the remainder. There is at present nothing to prevent my continuing deliveries without any interruption.

Yours Truly,
Joseph Wharton
